### Resolution Number 16-92

BE IT RESOLVED by the Navajo County Board of Supervisors that the Legislature of the State of Arizona be apprised of the following:

That the Navajo County Board of Supervisors is disturbed and concerned with the redistricting proposal which would divide District 3 and District 4 along Interstate 40 in Navajo County. This proposal would divide the people of Holbrook, Joseph City and Winslow who live north of Interstate 40 into District 3, and those south of Interstate 40 into District 4. Not only would this divide the communities it would tend to dilute the minority vote in Northern Arizona, and would require Navajo County to duplicate much of the work done by its election department.

That as an alternative, the Navajo County Board of Supervisors would propose that the Hopi Reservation be considered for inclusion in District 3. This would allow for the inclusion of the entire communities of Holbrook, Joseph City and Winslow in District 4. This proposal would require the State Legislature to consult with the Hopi Tribe on the proposed alternative. Adoption of this proposal would unify three of the major communities in Navajo County, and avoid dilution of the minority vote.

RESPECTFULLY SUBMITTED by unanimous vote of the Navajo County Board of Supervisors.

  
Percy Deal, Chairman  
Navajo County Board of Supervisors
